

Canada Basketball and Basketball PEI Present Center for Performance Program

The [Centre for Performance](#) program is a training centre concept intended to identify and develop elite-level Canadian basketball players at a young age. This nationally directed initiative is designed to teach individual offensive and team fundamentals while presenting aspects of sports science that are necessary to become a high level player and coach.

With the support of provincial basketball associations across the country, the program provides a systematic, thorough and unified national approach to identify and develop outstanding junior basketball players in every province and territory in Canada.

Canada Basketball has provided all provinces the opportunity to operate their own Center for Performance Program. Athletes born in 1993-1998 (U13-U18) are eligible to apply. All those athletes and coaches interested in being considered for an opportunity to attend this elite Canada Basketball development program are asked to fill out an application form and submit it to Basketball PEI by September 24th.

Participation involves:

- Selected athletes must be available to attend CP training sessions.
- The cost for the program is \$200 per athlete; this includes 30 hours of high performance training sessions and athlete clothing. Payment options are available.
- Selected athletes will have the opportunity to train with some of the best coaches in the province as well as high level guest coaches.

Tryouts are scheduled for **Sunday, September 26th** for both the boys and girls groups, at the Canada Games Sports Centre. Times for each age group have been posted on the [Basketball PEI website](#). Other training sessions will be held on Sundays until the school basketball season ends. Gym locations, dates and times will be announced once athletes are selected.

There is a **\$20 non-refundable fee** to participate in tryouts. This will provide participants with Basketball PEI/Canada Basketball Membership and Insurance coverage for the 2010-2011 season regardless of whether or not athletes are selected for the CP program.

If you are interested please complete the attached application form and return it to Basketball PEI by September 24th or give it to the coach before tryouts begin on Sept 26th.
